Capability statement

Halden Signal Supply stocks and delivers traffic signal, street lighting and electrical parts to contractors building for Caltrans, LA Metro, cities and counties in Southern California. We match bid items to agency-approved products, build submittal packages, and stage material by phase for jobsite delivery.

Core competencies

- Signal heads, LED modules and pedestrian equipment
- Vehicle and bike detection
- Pull boxes, conduit and fittings
- LED street and safety lighting
- Controllers, cabinets and battery backup
- Poles, mast arms and hardware
- Signal cable, conductors and fiber
- Submittal packages and cut sheets

What sets us apart

- Submittal packages built from your bid item list, with approved-list references, in two business days.
- Material staged by phase and delivered on our own trucks with liftgates.
- Will-call opens at 6 a.m. at all three branches.
- SBE and DBE certified supplier for goals on agency contracts.
